Manufactured Home Installation - Helpful Information

Manufactured homes on fee simple lots

1. Setback requirements from property lines:
 - Front Yard: 30 Feet
 - Rear Yard: 35 Feet
 - Side Yard: 12 Feet

Manufactured homes within manufactured home parks

1. Setback requirements from other structures:
 - Edge of private road pavement: 20 Feet
 - Adjacent manufactured homes: 30 Feet
 - Carport 20 Feet

All manufactured homes shall be set up, installed and anchored in accordance with the manufacturer's installation instructions and the regulations published by the Alabama Manufactured Housing Commission.

All manufactured homes shall have the towing devices, wheels, axles and hitches removed.

All manufactured homes shall be underpinned with weather-resistant material, which shall be in accordance with the manufacturer's installation instruction.

All manufactured homes shall have a deck or porch with a landing at all exit/entry doors.

- The width of the landing shall not be less than the door served. Every landing shall have a minimum dimension of 36 inches measured in the direction of travel.
- Handrails and guards are required where the landing/deck/porch is located more than 30 inches measured vertically to the floor or grade below. The height of the handrail shall be not less than 36 inches.

Manufactured homes requiring new driveways onto a City street shall be coordinated through the City Street Department. (205) 763-4004.

Manufactured homes requiring new driveways onto a County street shall be coordinated through the Talladega County Highway Department. (256) 761-2130
